

Arrijalul Khairi

Student at USK Aceh

I am a 21-year-old student studying at Universitas Syiah Kuala majoring in Informatics. I have a special interest in mobile application development. With a high learning spirit, I try to dig deeper into the world of mobile development, hoping to master the skills needed to create innovative applications in the future.

EDUCATION

MAN Insan Cendekia Aceh | 2018 - 2021

The establishment of MAN Insan Cendekia began with the need for human resources who have high qualifications in science and technology and in line with faith and piety. Prof. Dr. Ing. B. J. Habibie initiated through BPPT to form STEP. The purpose of STEP is to equalize science and technology programs for schools in the pesantren environment.

Universitas Syiah Kuala Aceh | 2021

Universitas Syiah Kuala is the oldest public university in Aceh. It was established on September 2, 1961 with the Decree of the Minister of Higher Education and Science Number 11 of 1961, dated July 21, 1961. The establishment of Unsyiah was confirmed by the Decree of the President of the Republic of Indonesia, number 161 of 1962, dated April 24, 1962 at Kopelma Darussalam, Banda Aceh.
